This includes two, three or four headjoints of various cuts in your wood selection. By exclusive order and availability of stock, more headjoints may be included at an additional cost of US \$ 50.00 each. If the client decides to buy a Hernández flute or piccolo headjoint, the test fee of 30% of the value of the instrument will be credited as an advance of the total payment of the headjoint of his choice. The remaining balance of the total cost of the instrument will be paid immediately by credit card, bank deposit or Pay Pall.
